GUARANTEE

We guarantee to furnish healthy, vigorous, well-grown trees or plants. We cannot be responsible for continued growth after stock has been planted on grower's premises because such factors as faulty planting, poor soil conditions, lack of moisture, etc., are beyond our control.

Great care is used to avoid mistakes. In case any trees or plants prove to be untrue to the name under which they are sold, upon proper proof the original order will be replaced or the amount actually paid for such stock at the time of purchase will be refunded. The purchaser agrees to accept the stock on these terms.
